# W2BOCC

## WE PROVIDE

- **COURSE & PROGRAM BUILDING SUPPORT**

Customized, one-on-one consultancy work for educators launching or continuing W2B courses/programming

- **PUBLIC WORKSHOPS & CLASSROOM VISITS**

Our custom, participatory workshops

- foreground the insights of people with lived experience of incarceration
- feature innovative facilitation & whole-self learning
- open up dialogue about criminalization, imprisonment, stigma, education and employment

Participant feedback: "Transformative"  
"Enlightening" "Motivating" "Inspiring!"

- **ADVOCACY**
- **RESEARCH SUPPORT**
- **PANEL DISCUSSIONS**
- **PUBLIC SPEAKING**

## ABOUT US

Walls to Bridges (W2B) is an innovative educational program that brings together incarcerated ("Inside") and non-incarcerated ("Outside") students to study post-secondary courses in jails, prisons, and communities across Canada.

The Ontario Community Collective is comprised of veteran W2B trainers who were formerly incarcerated and have transitioned to the community. We work in solidarity with the 'Inside Collective'.
